Senate Bill 337 became effective September 29, 2012, and created a "***Certificate of Qualification for Employment***" in Ohio Revised Code 2953.25. The CQE will allow persons living in the community who have a previous felony or misdemeanor conviction to apply to the court to lift the collateral sanction that bars them from being considered for employment in a particular field. A collateral sanction is a penalty, disability, or disadvantage that is related to employment or occupational licensing as a result of a conviction of or plea of guilty to an offense and that applies by operation of law in this state regardless if the penalty, disability or disadvantage is included in the sentence or judgment.
