Introduction

A Certificate of Title is one of the most notarized documents in the State of Ohio. It is an important legal document, as it officially signifies ownership of a motor vehicle or watercraft vessel.

The following guideline was compiled by the Ohio Clerk of Courts Association and is provided as a courtesy to you. This booklet serves as a general guideline; it does not cover every specific aspect of notarizing certificates of title. If you have any questions concerning the notarization of titles or title-related documents, please contact your local county Clerk of Courts' Title Office for guidance.

Notarizing an Ohio Title – General Guidelines

- **Do not** take the acknowledgment on any instrument wherein **blanks** are left to be filled in later. The legal instrument must be completely prepared before notarization is completed.
- When selling a vehicle or watercraft; owner(s) on the front of the title must sign and print their name(s) as it appears on the face of the title.
- Assignments of ownership must be in the form of legal names:
 - Clifton J. Smith (not CJ Smith)
 - Richard L. Jones Jr. (not Dick Jones)
- **Do not**, under any circumstances, white out or scribble out any errors on the title assignment; this will void the title and a replacement must be issued.
- If someone signs the back of a title on behalf of a company or other entity, they must state their position with that entity:
 - ABC Trucking Company, John F. Rees, Fleet Mgr.
 - Dixie Candy Corp, Dennis T. Dix, Owner
 - Abel Family Trust, Carol A. Abel, Trustee
 - Estate of Mary Scott, James E. Scott, Executor
- If the seller or buyer is under 18 years of age, the custodial parent or guardian must fill out a notarized minor consent form (available online * or from the Clerk of Courts' Title Office). The minor must bring this consent form—along with the certificate of title—to the Clerk of Courts' office, or the parent/guardian must appear in person with the minor at the time of transfer. The guardian must provide the court document indicating that they are the legal guardian of the minor.
- If you take the acknowledgment from a person appointed as power of attorney, the notarized power of attorney form (available online* or from the Clerk of Courts Title Office) must be surrendered at the time of transfer of ownership.
 - A Durable Power of Attorney is acceptable
 - A Health Care Power of Attorney is not acceptable
- If you take the acknowledgment from a person appointed by the Court, the Court Order must bear the Judge's signature and seal, and must be surrendered at the time of transfer of ownership:
 - Court Order appointing Executor, Fiduciary, Guardian, etc.
 - Letter of Authority to Transfer
 - Relief from Administration of Estate
- The Ohio ORC #4505.02 requires each applicant to present an official photo ID.

Power of Attorney Form

- Power of Attorney forms for certificates of titles must be notarized
- The original power of attorney form listing the vehicle identification number must always accompany the title and becomes part of the permanent title record. In the case where a general power of attorney is being used we can accept a certified true and exact copy of the original.
- An executor of an estate cannot give power of attorney to someone else to sign on their behalf, if the executor cannot sign for any reason, a new executor would need to be appointed.
